

Harvard University
Embryonic Stem Cell Research Oversight (ESCRO) Committee

Amendments Form

Use for any protocol changes

Part I. Protocol and Contact Information

A. Protocol Title or Short Title: _____

B. Protocol No.: E _____

C. Principal Investigator Name: _____

Please review the ESCRO's Amendments Policy (<http://escro.harvard.edu/index.php?page=policies>) or contact the ESCRO Office to determine whether the changes to your protocol are major or minor.

Part II. Amendment Description

Please list the changes you would like to make and briefly describe each.

Also note:

If **all** of these changes are **minor**:

- Review the current version of your Protocol Application and, in the description below, address all points from the Application that are relevant to these changes.
- Submit a signed copy of this form.
- Submit any protocol materials revised as a result of these changes, e.g., consent form, recruiting materials, other committee approval, etc. A revised Protocol Application is not required.

If **any** of these changes are **major**:

- Describe the changes to be made in the field below. The description does not need to address all the relevant points from the Protocol Application, but you must submit a fully up-to-date version of the Protocol Application with these and all previous changes integrated into the form.

Part III. Principal Investigator's Certification

I have read and agree to abide by the policies of the Harvard University ESCRO. I certify that the information in this form and any supplemental materials is accurate and complete.

Principal Investigator's Signature
